

1ST THORACIC ULTRASOUND & PLEURAL WORKSHOP

23rd February, 2023

P. D. HINDUJA HOSPITAL
& MEDICAL RESEARCH CENTRE

DEPARTMENT OF PULMONARY MEDICINE

Dr. Zarir Udwadia

Dr. Jai Mullerpattan

Dr. Lancelot Pinto

Dr. Radhika Banka

Dear Delegate,

We are delighted to announce our 1st Thoracic Ultrasound and Pleural Workshop to be held at P. D. Hinduja National Hospital & Medical Research Centre, Mumbai, on 23rd February, 2023.

This one-day workshop will provide basics of thoracic ultrasound and hands-on experience for pleural procedures including pleural aspiration, chest drain and indwelling pleural catheter insertion, pleural biopsies and thoracoscopy.

With eminent national and international faculty, we hope this workshop would entail the respiratory physician to identify common pleural pathologies on ultrasound, gain experience in pleural procedures and facilitate greater use of thoracic ultrasound in their clinical practise.

We look forward to your presence.

**Best wishes,
Organising Committee**

AGENDA

TIME	TOPIC	SPEAKER
09:00 - 09:15	Welcome and Introduction	Dr. Radhika Banka
09:15 - 09:30	Thoracic Ultrasound Knobology	Dr. Richa Gupta
